

CHICAGO DEPARTMENT OF STREETS & SANITATION

Sunday, June 13, 2010

Dear Downtown Business
and Building Managers:

Thank you for your cooperation during last Friday's parade and rally celebrating the Blackhawks Stanley Cup Championship. It was a great team effort.

We were able to host a celebration for 2 million people to honor our Hawks and leave the Loop looking as good as it did before the event.

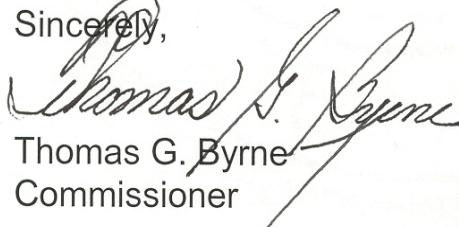

We were fortunate during the parade that low winds kept the amount of confetti that could be left on building ledges to a minimum. However the heavy rains that hit the area on Saturday washed much of the remaining confetti onto sidewalks. Because this wet confetti tends to stick to the sidewalks our crews will be out there during the week continuing to remove it and any additional remnants of the celebration that are found in the public way.

While we will be working hard to clean this all up, we would greatly appreciate any assistance that our downtown businesses and properties can provide in terms of picking up any stray debris that you find adjacent to your properties.

Keeping our downtown area clean at all times works to all of our advantages and benefits the residents of and visitors to our great city.

Thank you again for your time and assistance.

Sincerely,

Thomas G. Byrne
Commissioner
