PREMIER PARTNERS

2022 SPONSORSHIP OPPORTUNITIES

Maximize your sponsorship investment by becoming a BOMA/Chicago sponsor. Our networking events have traditionally been one of our strengths, helping to build new relationships and a strong sense of community between our Building and Affiliate Members.

As we work through a prolonged pandemic and restrictions related to in-person events, our sponsorship packages will provide you with an amplified level of exposure to the BOMA/Chicago Building and Affiliate network. We have developed these sponsorship tiers so you can plan your company's involvement for the entire year including both larger virtual events and smaller, more intimate gatherings.

Each sponsorship includes tickets to the events (whether virtual or live) that your company can use or that can be given to existing or prospective clients, along with a range of other benefits. Sponsors may purchase additional tickets for even greater exposure to building members. These sponsorship offerings will provide you an entire year of visibility.

Secure Your Sponsorship: You can customize your involvement by choosing from one or more of the sponsorships below and completing our [2022 Sponsorship and Advertising Form](#). For more information, contact Beth Halat, Director of Member Services, at bhalat@bomachicago.org or (312) 870-9606.
