BOMA/Chicago Foundation
Single Course Scholarship
Application & Scholarship Guidelines

PURPOSE
The purpose of the BOMA/Chicago Foundation Scholarship program is to provide professional development and educational opportunities, through financial assistance on a need basis, to individuals who may not otherwise be able to attend individual, locally offered Real Property Administrator (RPA) and Facilities Management Administrator (FMA) courses to further develop their career potential in commercial real estate.

SINGLE COURSE SCHOLARSHIP ADMINISTRATION
The BOMA/Chicago Foundation considers the scholarship recommendations of the BOMA/Chicago Education Committee and has the complete and final authority to confer or revoke all scholarships it awards. Each application will be reviewed, voted upon and approved by the BOMA/Chicago Foundation Scholarship Committee.

ELIGIBILITY REQUIREMENTS
1. Must be at least 21 years old.
2. Have at least five years of commercial real estate experience. **No college degree or transcript is required.**
3. Completion of the Scholarship Application form, with its requested attachments received by the deadline – a minimum of two months in advance of the start date of the course for which the applicant is requesting scholarship funds. The necessary or requested attachments are:
   a. **Personal Statement of Financial Need**: An explanation of personal financial status which indicates need for scholarship assistance to complete the designation course.
   b. **Verification of Financial Need from Employer**: The documentation that the employer will not pay or reimburse the costs of applicant’s tuition for more than one designation course per year.
   c. **Personal Statement of Intent and Objectives**: A statement of purpose and intent stating career objectives and any other information such as community service, leadership activities, etc. which would aid the Scholarship Committee in the scholarship award or decision-making process.
   d. **Work Experience**: Verify work experience in commercial real estate by submitting a copy of most recent resume.
   e. **References**: Two letters of reference, one from applicant’s supervisor and one from a business, professional or educational source.
4. Completion of a structured interview with the Scholarship Committee as scheduled by the Committee.

ELIGIBILITY FOR MORE THAN ONE DESIGNATION COURSE SCHOLARSHIP
A scholarship recipient who successfully completes a designation course paid by scholarship funds may choose to apply for **up to three single course scholarships at a rate of one course per calendar year**. To apply for a second and/or third scholarship, the applicant must submit updated versions of the documents listed under “Eligibility Requirements” and a copy of the letter confirming his/her grade in the previously funded designation course by the application deadline as determined by the Scholarship Committee. (Please note: ‘official’ written designation course grades may not be received by students until three to four weeks after exam completion. Consequently, scholarships are not approved for consecutive courses.)

The Scholarship Committee will notify applicants applying for a second scholarship if a second interview will be required. A third application requires resubmission of updated application documents, verification that the student successfully completed both of the previous courses paid by scholarship funds and an interview will be required. The awarding of a third scholarship will occur only with the unanimous approval by all members of the Education Committee and Foundation.
REMINDER: Each applicant can only be awarded one course scholarship per calendar year with a maximum award of three course scholarships per individual.

APPLICATION PROCEDURES
Information supplied in this application will be used to evaluate the applicant’s qualifications for a BOMA/Chicago Foundation Scholarship. The scholarship is awarded primarily on a basis of financial need and the potential for contribution to the commercial real estate industry. The eligibility requirements presented above will be strictly adhered to. All requested information must be provided. All applications will be held in strictest confidence.
