

BOMA/Chicago Website Guide: Find a Service Provider

BOMA/Chicago understands the value our Affiliate Members provide the CRE industry through products and services that support and enhance operationally sound buildings. The Service Provider Directory allows members and the general public to find companies and services quickly and easily. This guide demonstrates how to find those companies and services.

STEP 1: Click on the Find a Service Provider Quick Link on the homepage.

STEP 2: Search by category, company name or first or last name.

STEP 3: Access employee lists by clicking on the company name.
